These tutorials are a recap aimed at reinforcing your knowledge & the skills sets you acquired while studying on your CIMA FLP platform; addressing any areas where you need help/ any subject-area technical questions and to illustrate how to apply your knowledge/ skills sets. To fully master all the CIMA skills sets and competencies at a particular level, an average student generally needs 100 - 150 study hours, including class time. This translates to at least three hours of study time a day —please plan accordingly.
