5 Jan - 17 Jan 4 October	Sun - Fri	Ensure you have completed all Competencies on your CIMA FLP Platform. Study the pre-seen material and recap on skills sets of interest. Go through the Case Study Review Course on your CIMA FLP portal		
18-Jan-25	Saturday	Case Study Exam Preparation Class Commence, check relevant timetable		

These tutorials are a recap aimed at reinforcing the skills sets you acquired while studying on your CIMA FLP platform and addressing any grey areas or where you need help and any subject area technical questions. To fully master all the skills sets and competencies, an average student generally needs between 100-150 study hours including class time. Given the limited time left and this schedule, this translates to about 3hours30mins-5hours study time (including class attendance) per day - please plan accordingly
